Results will be visible in Omnibox

The screenshot shows the Omnibox interface with a sidebar on the left containing navigation options: Dashboard, Omnibox, Account, Listen, and a list icon. The main content area features a search bar labeled 'Search Here'. Below the search bar are filters for 'Export' (with icons for CSV, PDF, and Email) and 'Status' (set to 'All Mentions'). Further down are dropdown menus for 'Ticket Status' and 'Select Channel'. At the bottom of the filters are 'From' and 'To' date pickers and a yellow 'SEARCH' button. Below the filters, there are sorting options: 'Sort By: Newest First', 'Share Type', and 'Priority'. A legend indicates message types: 'Approved' (green dot), 'My comment' (yellow dot), 'Other feedback' (red dot), and 'Regular message' (black dot).
